

Question 38: (translated from French)

Can a bidder submit option agreements that become valid upon expiration of those already signed with another proponent not awarded a contract in a prior call for tenders?

Answer 38:

A bidder may submit such option agreements. However, the bidder must demonstrate that it has all of the rights required to build the wind farm on the proposed site by milestone event 3 in Section 5.3 of the electricity supply contract to be signed with Hydro-Québec Distribution.
