

Question 61: (Translated from French)

Given that they are underwritten by Québec citizens from different regions of Quebec, can the financial participation by fiscal funds such as Capital Régional and Coopératif Desjardins, Fondation CSN and the Fonds de Solidarité FTQ be recognized as local equity, helping achieve a ratio of local participation in funding and control.

Answer 61:

This question relates only to the 250 MW block resulting from community projects.

No, these funds are not part of local constituents allowed in Section 1.3.1.2 of the Call for tenders document.
