

Question 63: (Translated from French)

Section 4.1 of the Bid form ask to designate the wind turbines manufacturer. The manufacturer must meet a series of technical and financial criteria (Section 1.4 and 1.5, Chapter 1 of the Call for tenders document, among others). Can a RCM (over 50% of control) come to a mutual agreement with a manufacturer?

Answer 63:

Hydro-Quebec can not comment on the process that a municipality or a RCM must meet in order to award a contract for goods and services, either by tender, by mutual agreement or otherwise.
