

Instructions

You can download the program's Web banner and place it on your Web site by using the appropriate file format (.gif format).

Please keep the original format (170 X 200 pixels) so that the image is not altered.

Please make sure the banner links to the Web site:

- French version: <http://www.hydroquebec.com/economiser-eau>
- English version: <http://www.hydroquebec.com/water-saving>

This banner is also available in English for bilingual sites; however, the French version must come first.

Should you have any questions, please don't hesitate to contact the program manager by e-mail at economiser-eau@hydro.qc.ca.
