ADDENDUM #3

Issue date : SEPTEMBER 28, 2009

Addendum #3 is issued in French and English. Some changes aimed at correcting typographical or translation errors may have been made in one version while not being required in the other version.

ADDENDUM #3
September 28, 2009
CALL FOR TENDERS A/O 2009-02

This addendum #3 is an integral part of the A/O 2009-02 call for tenders document and modifies it as follows:

1. Chapter 3 – Instructions to bidders

Section 3.1 is now void and is replaced by Section 3.1 appearing on page 3 of this addendum.

The modifications made in Addendum #3 are identified as “**R3**” (revision 3), which appears in the margin to indicate that a paragraph, table or section has been revised or added. Bidders must ensure that they have properly identified the changes made to the paragraph, table or section involved.

Bidders must indicate the number of addenda received in Section **1.1 – Certification** of the Bid Form (Appendix 12). This entry shall serve as acknowledgment of receipt.

3.1 Timetable

The following timetable shows the main milestones of the call for tenders. The dates provided are tentative only and may be modified through an addendum.
