Dear Mr Mitchell:

We are responding to your email of June 21, 2017, in which you ask for the following information:

« *number of power outages in Québec per year for the years 2005-2010.* »

In response to your request, you will find enclosed a document that contains for each major power outage that occurred in Québec between 2005 and 2010: the date of the event, its cause, the affected area and the number of affected clients at the peak of the event.

We hope this meets with your satisfaction.

Yours truly,

Stella Leney
Person in charge of access to documents
and the protection of personal information
