

Consultation notice Project QC-2025-03

September 2025

Notice recipients

Entities listed in the Register of Entities Subject to Reliability Standards
North American Electric Reliability Corporation, Inc. (NERC)
Northeast Power Coordinating Council (NPCC)
NPCC Reliability Coordinators
Régie de l'énergie du Québec (the "Régie") [Québec Energy Board]

Consultation period: September 8 to September 12, 2025.

Purpose of the consultation

In accordance with the process established by the Régie in Decision [D-2011-139](#), the Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities for comments on the following Québec appendix in view of its eventual adoption by the Régie:

New appendix version:

- FAC-002-4-QC-2 – Specific provisions applicable in Québec for standard FAC-002-4 – Facility Interconnection Studies

Appendix to be retired:

- FAC-002-4-QC-1 – Specific provisions applicable in Québec for standard FAC-002-4 – Facility Interconnection Studies

The Coordinator solicits the feedback of Registered Entities on matters regarding the relevance and impact of the proposed standard's appendix. For this purpose, please provide your comments using the online consultation form under this notice available on the Public consultation of entities page of the Coordinator's website: (<https://www.hydroquebec.com/reliability-coordinator/documentation/consultation.html>), making sure to clearly identify the section to which your comments pertain.

You may also send your questions and feedback directly to the following address: fiabilite@hydro.qc.ca.

Documents

- Proposed Québec appendix;
- Redline of the Proposed Québec appendix;
- Adopted standard FAC-002-4 in file R-4225-2025, for information only;
- Summary of the appendix to be adopted, including a preliminary assessment of relevance and impact.
