

Consultation notice Project QC-2026-01

March 2026

Notice recipients

Entities listed in the Register of Entities Subject to Reliability Standards
North American Electric Reliability Corporation, Inc. (NERC)
Northeast Power Coordinating Council, Inc. (NPCC)
NPCC Reliability Coordinators
Régie de l'énergie du Québec (the Regie) [Quebec Energy Board]

Consultation period: March 27th, 2026 to April 8th, 2026.

Purpose of the consultation

In accordance with the process established by the Regie in Decision [D-2011-139](#), the Quebec Reliability Coordinator (the Coordinator) is asking Registered Entities for comments on the following Reliability Standard in view of its eventual adoption by the Regie:

New standard:

- CIP-015-1 – Cyber Security — Internal Network Security Monitoring

The Coordinator solicits the feedback of Registered Entities on matters regarding the relevance and impact of the proposed Reliability Standard. For this purpose, please provide your comments using the online consultation form under this notice available on the Public consultation of entities page of the Coordinator's website: (<https://www.hydroquebec.com/reliability-coordinator/documentation/consultation.html>), making sure to clearly identify the related section to which your comments pertain. You may also send your questions and feedback directly to the following address: fiabilite@hydro.qc.ca.

Documents

- Proposed standard and Quebec Appendix
- Summary of the standard to be adopted, including preliminary assessment of its relevance and impact
- Standard Technical Rationale.
