Sign up for notices of potential RFPs

Identify yourself by entering your username and password (for more information, refer to the " Two-step authentication process " document).

Hydro-Québec publishes tender calls in various procurement categories relating to different sectors of the economy.

To receive notices of potential RFPs, first select your categories of interest.

The screenshot shows the top navigation bar of the 'Espace approvisionnement d'Hydro-Québec' website. The logo is on the left, and the user profile 'First_Name (ENTREPRISE CANADA)' is on the right. Below the navigation bar, there are links for 'Home page', 'Supplier record', 'Tender calls', 'Need help?', and 'Useful links'. A dark blue callout box points to the 'My account' dropdown menu, containing the text: 'From the home page, go to the "My account" screen.' The main content area is divided into three columns: 'News from Hydro-Québec' with a paragraph and a link to 'Current tender calls'; 'RFPs' with a large '0' and the text 'RFPs'; and 'Support tools' with links for 'Tutorials' and 'Frequently asked questions'. At the bottom left, there is a 'Contact us' section with a 'Click here' link.
