**Sensitive elements**

- Protected area
- Biological refuge
- Scenic spot
- Scenic road
- Public land

**Project component**

- Study area

**Borders**

- International border
- Administrative region
- Regional county municipality (MRC)
- Zone with sensitive elements

**Infrastructures**

- Major highway
- Provincial or secondary highway

**Substations and transmission lines**

- 120 kV
- 230 kV
- 735 kV
- Private substation
