

Consultation notice Project QC-2021-02

March 2021

Notice recipients

- Entities listed in the Register of Entities
- North American Electric Reliability Corporation, Inc. (NERC)
- Northeast Power Coordinating Council (NPCC)
- NPCC Reliability Coordinators
- Régie de l'énergie du Québec (the "Régie") [Québec Energy Board]

Consultation period: From March 12 to March 26, 2021

Purpose of the consultation

In accordance with the process established by the Régie in Decision [D-2011-139](#), the Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities and stakeholders for comments on the following standard with the purpose of their eventual adoption by the Régie:

- CIP-012-1 – Cyber Security – Communications between Control Centers

The Coordinator solicits the feedback of Registered Entities on matters regarding the relevance and impact of the reliability standard submitted in the present document. For this purpose, please provide your comments using the online consultation form under this notice available on the Public consultation of entities page of the Reliability Coordinator's website: (<http://www.hydroquebec.com/transenergie/reliability/consultation.html>), making sure to clearly identify the document (and related section) to which your comments pertain. You may also send your questions and feedback directly to the following address: fiabilite@hydro.qc.ca.

Documents

- Proposed standards and Québec Appendices.
- Summary of the standard to be adopted, including preliminary assessments of their relevance and impact.
