

## Consultation notice Project QC-2024-03

July 2024

### Notice recipients

- Entities listed in the Register of Entities Subject to Reliability Standards;
- NPCC Reliability Coordinators;
- Régie de l'énergie du Québec (the "Régie") [Québec Energy Board].

**Consultation period:** June 26, 2024 to July 12, 2024.

### Purpose of the consultation

The Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities and stakeholders for comments on the following operating instruction update, in view of its next publication:

- IQ-N-002 – Data specification

The Coordinator solicits the feedback of Registered Entities on matters and stakeholders regarding the modification to this operating instruction. For this purpose, please provide your comments using the online consultation form available on the Public consultation of entities page of the Coordinator's website: (<https://www.hydroquebec.com/reliability-coordinator/documentation/consultation.html>), making sure to clearly identify the related section to which your comments pertain.

You may also send your questions and feedback directly to the following address: [fiabilite@hydro.qc.ca](mailto:fiabilite@hydro.qc.ca).
