Régie de l'énergie du Québec (the "Régie") [Québec Energy Board]

**Consultation period:** September 25 to October 9, 2024.

### Purpose of the consultation

In accordance with the process established by the Régie in Decision [D-2011-139](#), the Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities for comments on the appendix of Reliability Standard FAC-011-4 in view of its eventual adoption by the Régie:

#### New standard version

None. New version of appendix FAC-011-4

#### Standard to be retired

None. Retirement of appendix FAC-011-4 adopted in docket R-4229-2023.

The Coordinator solicits the feedback of Registered Entities on matters regarding the relevance and impact of the changes to the FAC-011-4 appendix. For this purpose, please provide your comments using the online consultation form under this notice available on the Public consultation of entities page of the Coordinator's website: (<https://www.hydroquebec.com/reliability-coordinator/documentation/consultation.html>), making sure to clearly identify the related section to which your comments pertain.

You may also send your questions and feedback directly to the following address: [fiabilite@hydro.qc.ca](mailto:fiabilite@hydro.qc.ca).
