

Notice of Consultation Project QC-2020-04

December 2020

Notice addressed to:

- Entities listed in the Register of Entities
- North American Electric Reliability Corporation, Inc. (NERC)
- Northeast Power Coordinating Council, Inc. (NPCC)
- NPCC Reliability Coordinators
- Régie de l'énergie du Québec (the "Régie") [Québec Energy Board]

Consultation period: December 17, 2020, to January 15, 2021

Purpose of the consultation

In accordance with the process established by the Régie in Decision [D-2011-139](#), the Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities and stakeholders for comments on modifications to the English and French versions of the Québec Reliability Standards Glossary of Terms (herein after referred to as the "Glossary") with the purpose of their eventual adoption by the Régie:

The Coordinator asks Registered Entities for their opinion on the proposed changes to the Glossary. Please provide your comments using the consultation form under this notice on the Public consultation of entities page of the Reliability Coordinator website (<http://www.hydroquebec.com/reliability-coordinator/consultation.html>). Make sure you clearly indicate the term to which your comments refer.

You may also send your questions and comments directly to the following address: fiabilite@hydro.qc.ca.
