

Consultation notice Project QC-2021-08

August 2021

Notice recipients

Entities listed in the Register of Entities Subject to Reliability Standards
North American Electric Reliability Corporation, Inc. (NERC)
Northeast Power Coordinating Council (NPCC)
NPCC Reliability Coordinators
Régie de l'énergie du Québec (the "Régie") [Québec Energy Board]

Consultation period: August 25, 2021 to September 8, 2021.

Purpose of the consultation

In accordance with the process established by the Régie in Decision [D-2011-139](#), the Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities for comments on the following standards in view of their eventual adoption by the Régie:

New standard versions:

- CIP-005-7 – Cyber Security — Electronic Security Perimeter(s)
- CIP-010-4 – Cyber Security — Configuration Change Management and Vulnerability Assessments
- CIP-013-2 – Cyber Security — Supply Chain Risk Management

Standards to be retired:

- CIP-005-6 – Cyber Security — Electronic Security Perimeter(s)
- CIP-010-3 – Cyber Security — Configuration Change Management and Vulnerability Assessments
- CIP-013-1 – Cyber Security — Supply Chain Risk Management

The Coordinator solicits the feedback of Registered Entities on matters regarding the relevance and impact of the proposed standard. For this purpose, please provide your comments using the online consultation form under this notice available on the Public consultation of entities page of the Reliability Coordinator's website: (<https://www.hydroquebec.com/reliability-coordinator/documentation/consultation.html>), making sure to clearly identify the related section to which your comments pertain.

You may also send your questions and feedback directly to the following address: fiabilite@hydro.qc.ca.

Documents

- Proposed standards and Québec appendices
- Summary of the standards to be adopted, including preliminary assessment of their relevance and impact
- Redline standards and appendices
