

Consultation notice Project QC-2022-01

February 2022

Notice recipients

Entities listed in the Register of Entities Subject to Reliability Standards
Régie de l'énergie du Québec (the "Régie") [Québec Energy Board]

Consultation period: February 23, 2022, to March 23, 2022.

Purpose of the consultation

The Québec Reliability Coordinator (the "Coordinator") is asking Registered Entities for comments on the system voltage schedule proposed by the Transmission Operator (TOP). This schedule is only for Entities registered as Generator Operator (GOP).

Schedule name:

- IQ-N-001 – System voltage schedule

The Coordinator solicits the feedback of Registered Entities on matters regarding the applicability and clarity of the proposed schedule. For this purpose, please provide your comments, questions and feedback directly to the following address: fiabilite@hydro.qc.ca.
