Envoyé: 15 mars 2021 09:28
Objet: Public consultation QC-2021-03 : Register of Entities Subject to Reliability Standards statutory update

Good Morning,

The present communication concerns the public consultation [QC-2021-03](#) regarding the statutory update of the *Register of Entities Subject to Reliability Standards* from **March 12 to March 26, 2021**.

The Coordinator proposes that the Register becomes effective immediately upon approval by the Régie de l'énergie.

For any questions about this project, please contact us by email at: fiabilite@hydro.qc.ca.

Coordonnateur de la fiabilité
